Sire to several of the bull calves selling. 5216, at \$17,000, was the high selling bull at the 2007 Upstream Ranch sale and sired the second high selling bull and the high selling sire group at the 2009 Upstream sale. He is a trait leader in 11 EPDs, with excellent calving ease, high milk and milk and growth numbers, as well as terrific carcass EPDs. 5216 is a very complete, balanced, muscular sire with loads of volume and exceptional doing-ability. His calves are eye-appealing, sound, and most often conservatively marked, with plenty of pigment.

This bull will carry on our straight Line One program. His sire, 3113, sired some of Cooper's best females. His dam, pictured, is one of the most popular dams in the breed. 747 is co-owned with Cooper Herefords.

# ***SALE BULLS***

Again this year we are offering a select group of yearling bull calves. It is our policy to feature two sire groups as yearlings and hold all other sire groups over until they are two-year-olds. This year's bull calves are sired by F 157K Ribstone 765 and UPS Domino 5216.

The bulls that we retained for our two-year-old bulls are a top indexing, uniform set of bulls. They are fed a growing ration during the winter months and then run on grass until early fall before being supplemented. Sons of F 157K Ribstone 765, 3143N, 05012, 06033, 04011, 338N and 7114T were all retained over until two-year-olds.
